by certified
experts

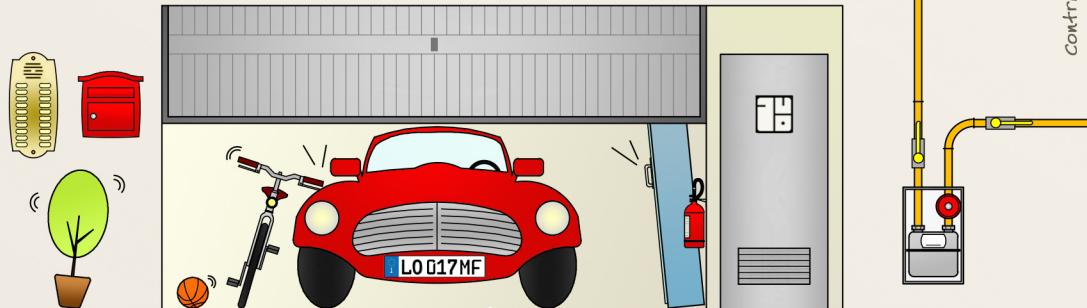

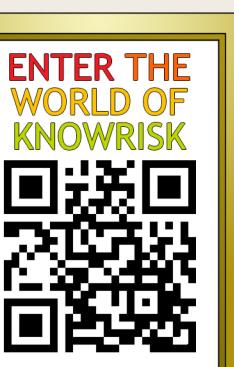

**KNOW
YOUR CITY**
Reduce seismic risk through
non-structural elements

**THE 4 STEPS TO MITIGATE
THE SEISMIC RISK AND
IMPROVE SECURITY**
KnowRISK can help reduce
non-structural damage, even
that caused by weak shaking.

You can find more information
in the KnowRISK Portfolio
and Practical Guide
www.knowriskproject.com

We can all reduce the
non-structural damages

BE THE FIRST!
